

Our Lady of Mt. Carmel School

31st Annual

Holiday Craft Fair

June 2009

Dear Crafter:

Whether you have participated in the past or recently expressed an interest in the Our Lady of Mt. Carmel School Craft Fair, enclosed is the application for the 2009 Craft Fair to be held on Saturday, November 7th and Sunday, November 8th from 10 am to 4 pm at Our Lady Mt. Carmel School located at 225 E. Ashland St. in Doylestown, Pa. This event will mark its 31st consecutive anniversary as a community tradition and important fundraising event for Our Lady of Mt. Carmel School. Your participation and support and the beautiful crafts you bring each year, make this Craft Fair a success. Please help us once again to make this year one of the best.

Our format will continue to be a traditional Holiday Craft Fair with primarily hand made crafts. We will be limiting the number of crafters in any one category (i.e. jewelry) to a maximum of 10%. (*Timely returns are important as admission is on a first come basis.*) A photograph of your craft and or website address containing a picture of your craft is absolutely mandatory and no contract will be considered with out them.

In addition to your space rental, your fee includes a listing in our Craft Fair Directory and on our website, and a total of 2 free beverage tickets and 2 free food item tickets to be used in our cafeteria on Saturday or Sunday.

We will continue this year to offer two different size tables, 6 ft or 8 ft. The size of the rental space will not change. We will once again be offering a **5% early bird discount for all contracts postmarked by July 6th** to encourage timely returns. To continually improve the quality of our crafters, we are also looking for **crafters referrals**. Receive an additional two free food item tickets and two free beverage tickets if your referred crafter books our fair as our thank you. As a quality crafter you are the best judge of quality handmade crafts. (*To make a referral see last page of the contract*)

Again this year we are excited to have our own Craft Fair Website which we are presently updating for this year's Craft Fair. The website is www.olmccraftfair.com

We look forward to your participation and support of this very important fundraiser for our school. Remember applications are accepted on a first come, first served basis.

Should you have any questions, please contact Mary Ellen Lott or Candace Huchko at (215) 766-9576 or by email at info@OLMCcraftfair.com.

Sincerely,

OLMC Craft Fair Committee
